 - (c) Should Itel Rail fail to make any payment or to do any act which this Assignment requires Itel Rail to make or do, then the Trustee may, but without obligation so to do, after first making written demand upon Itel Rail and affording Itel Rail a reasonable period of time within which to make such payment or do such act, but without releasing Itel Rail from any obligation hereunder, make or do the same in such

manner and to such extent as the Trustee may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Trustee, and also the right to perform and discharge each and every obligation, covenant, and agreement of Itel Rail contained in the Amendment, and in exercising any such powers, the Trustee may pay necessary costs and expenses, employ counsel, and incur and pay reasonable attorneys' fees, and Itel Rail will reimburse the Trustee for such costs, expenses and fees.

4. 5. Itel Rail will, from time to time, do and perform any other act and will execute, acknowledge, and deliver and file, register, deposit, and record (and will refile, reregister, rerecord, or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure the interests of the Trustee hereunder.
6. If an Event of Default shall occur and be continuing under the ETC Modification Agreement, the Trustee may assign all or any of the rights assigned to it hereby or arising under the Amendment, including without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder. The Trustee will give written notice to Itel Rail and the Lessee of any such assignment.
7. This Assignment shall be governed by the laws of the State of New York, but the parties shall be entitled to all rights conferred by the laws of the United States permitting filing with the Interstate Commerce Commission.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
